CO-OP Viewing

PROGRAM NAME: COOPVIEW
MENU OPTION TITLE: CO-OP Viewing
MAIN MODULE: CO-OP ADVERTISING SYSTEM
HELP KEY ACTIVE: YES

PROGRAM OVERVIEW

This program allows you to view all data for all CO-OP customers.
It is used in the integrated sales systems for view only.

PROGRAM OPERATION

CUST ID: You can enter in the either the exact CUST ID or hit <ENTER> to go to the NAME field and type it in exactly, or you can use <IFF> to locate the correct customer. Once you find the correct customer, you will see all data and be prompted to <S>ee More, or <Q>uit.

<S>ee More allows you to scroll through all the transactions entered against a CO-OP Advertising Systems.

<Q>uit allows you to exit the program.
