

Ship Serial #'s Out

PROGRAM NAME: FEDSHIP

MENU OPTION TITLE: Ship Serial #'s Out

MAIN MODULE: Serial # Shipping

HELP KEY ACTIVE: NO

PROGRAM OVERVIEW

This program is the first in a series of programs that need to be run to update the shipping records of a serial number book. Once you have finished this program, you will need to run {FEDSHPPR} and {FEDSHPU} to finish the updating process of the serial numbers books.

PROGRAM OPERATION

WHICH TYPE OF SE# BK DO YOU WISH TO UPDATE? Using the arrows, highlight the correct Serial Number Book you need to update, then press <ENTER>.
