

## **Employee Earn/Fed Tax Totals**

**PROGRAM NAME:** PRSUEMP

**MENU OPTION TITLE:** Employee Earn/Fed Tax Totals

**MAIN MODULE:** PAYROLL

**HELP KEY ACTIVE:** YES

### **PROGRAM OVERVIEW**

Use this program to set up the employee's running year to date federal totals. You must use this program if you are going to start using the IBS Payroll system in the middle of the year. This data will combine with any future generated IBS Payroll to eventually print all payroll reports including W2's.

### **PROGRAM OPERATION**

(Needs steps written)
