Labels For Buyers By Part

PROGRAM NAME: SOLDLABL
MENU OPTION TITLE: Labels for Buyers by Part #
MAIN MODULE: INTERNAL MAILING LIST
HELP KEY ACTIVE: NO

PROGRAM OVERVIEW

Do you want to direct mail the latest accessories or new products to past customers? This program allows you to print out mailing labels of customers, that have purchased inventory from you, by a particular or multiple list of part numbers. These are the same labels as you use for all other label printing programs in the IBS software systems.

PROGRAM OPERATION

Enter up to 36 part numbers in the entry screen. When you have entered the last part number for the report, press <ENTER> on a blank line to end the parts entry list. A quick calculation will flash on the screen and the print setup screen will pop up.

PLEASE PRESS <RETURN> WHEN THE LABELS ARE IN THE PRINTER AND READY FOR A TEST LINE-UP. PRESS <Q> TO ABORT THIS PRINTING :_:

IF THAT LINED UP PROPERLY, PRESS A <Y> TO BEGIN PRINTING, OTHERWISE; PRESS <RETURN> AFTER RE-POSITIONING THE LABELS FOR ANOTHER LINE-UP ATTEMPT.

DID IT LINE UP OK? :

** PLEASE WAIT. THE LABELS ARE PRINTING. **
